# PROMINENT RECRUITERS

# Message from the SIP Team to Our Esteemed Recruiters

Dear Corporate Partners,

Greetings from Dr. Ambedkar Institute of Management Studies & Research (DAIMSR)!

We take immense pride in presenting the MBA Batch 2024-26—a group of bright, ambitious, and industry-ready professionals eager to make a meaningful impact. At DAIMSR, we strive to bridge the gap between academia and industry through a well-structured Summer Internship Program (SIP) that provides our students with hands-on exposure to real-world business challenges.

The SIP experience at DAIMSR is not just about internships; it is about transformative learning, problem-solving, and innovation. Our students undergo rigorous training, live projects, and industry-driven assignments that equip them with the skills and mindset required to thrive in today's dynamic corporate landscape. Their adaptability, analytical approach, and ability to develop innovative solutions make them valuable assets to any organization.

We are honored to have long-standing partnerships with leading recruiters across various sectors, including FMCG, BFSI, Telecom, Retail, and Analytics. Companies such as ITC Ltd., Nestlé, Parle, Coca-Cola, Haldiram, Amul, Haleon, HDFC Bank, ICICI Bank, Axis Bank, SBI, Asian Paints, Bharti Airtel, Karvy, Metro-Global, Vodafone, BNY Mellon, Shinex Mosaics, Decimal Point Analytics, and Oppo Mobiles have consistently placed their trust in our talent pool.

The SIP Team at DAIMSR is led by Prof. Anup Dhore and coordinated by Dr. Dhanashree Katekhaye and Prof. Neeraj Nanoti, with the student SIP coordination team playing a crucial role in ensuring a seamless and enriching experience for both students and corporate partners.

As Dr. B.R. Ambedkar rightly said, “Cultivation of mind should be the ultimate aim of human existence.” Inspired by this vision, we nurture our students with the right knowledge, skills, and industry exposure, empowering them to become the leaders of tomorrow.

We invite our corporate partners to engage with our talented students and explore the potential they bring to the table. Let's collaborate to build a future of innovation, leadership, and excellence!

Warm Regards,  
SIP Team
